31 August 2009

Please find below our annual Subscription Form and we sincerely thank all those who supported us last year by paying a subscription and invite you to renew it for this coming year to assist us in our work, some examples of which can be found below. All newcomers to town are also invited to seriously consider taking out a subscription to assist the Association in further supporting community projects that will benefit the entire town. All are also most welcome to attend the monthly meetings at the TPDA offices in the Market Place on the last Wednesday of every month.

With the great format and print quality the Twizel Update has continued to gain in stature and success and is eagerly awaited by readers each week. We thank our advertisers for their valued support. Grateful thanks go to all those who were and still are involved with producing, printing, and distributing the Twizel Update.

If you would like to go on our e-mail list to receive the 'Update' please let us know.

The highlights this year have been as follows:

- Market Place Destination Sign. This was completed and erected in the Market Place earlier in the year.
- Another successful National Champs rowing regatta held in Twizel
- The Twizel Update still going from strength to strength
- Competition Climbing Wall. This year saw the construction of the new competition climbing wall in the Event's Centre, after a rapid fund-raising drive by Shaun Norman, with support from TPDA.
- The Glitz & Glamour Ball. By all accounts this was another resounding success in what is threatening to become a regular and highly anticipated event in Twizel's mid-winter calendar.

Some upcoming projects for the coming year include:

- A promotional DVD (Twizel History)
- Updating and optimizing the twizel.com website
- Adding a web-cam to the website
- Supporting various community groups

TWIZEL – A Great Place to Be
